Re: Facilities Director Report for January 10, 2016 Board Meeting

I confirmed with Plainfield HS on November 8 that we wanted our vendor area near the cafeteria, we wanted to use the same entrance into the building, and we wanted to use the auditorium as we had originally intended for last year. I have not heard back regarding AV possibilities in there – wireless mic and projector were the two requests, but I will confirm that when we do our contract for rooms, etc. That being said, I need room needs from the committees ASAP. I had told Plainfield I would get that to them early January.

Regarding hotel rooms, I confirmed with Jennifer Smith (our hotel contact) on November 8 to be sure all information she gave us for hotel registration was correct. I haven't heard of any problems with hotel registration to date, but then it is awfully early for people to be registering. That information has been on our website for quite a while.

I also asked her to reserve the conference room from late afternoon to evening. I would like to be more specific with those times.

By our next meeting I would like to have speaker meal count and vendor meal count. That can be adjusted till the end of February. Phyllis, of course, will give me her meal count needs for special guests.

## ICGSA Soccer Report January 2016

December 16 the soccer committee (Illya Schwartzman, Kurt Hauger, Jon Alcorn & Myself) had a meeting to select the All State Teams

We are working to correct a mistake with the selection of the All State Teams Sophia Chiado was mistakenly left off the selection ballot. This was just brought to my attention Saturday, January 9. After looking into it I have realized it was my fault. I have been in contact with the committee and we are voting on what team to add her to. We have decided to leave the teams as they are and just add her to the team she deserves to be on.

We are in contact with Grace College Women's Coach, Michael Voss to speak at our Spring Conference.

Re: Softball Report

Date: 1/10/16

- 1) Conference Speaker and breakout sessions—We are done with this!
  - Session 1: Rules Interpretation
  - Session 2: Q & A with IHSAA Asst Commissioner Kerrie Schludecker and discussion for new All-State/All Star voting
  - Session 3: Cindy Bristow—topic TBD
  - Session 4: Cindy Bristow—topic TBD
- 2) Travel and lodging logistics for our speaker, Cindy Bristow, have been arranged. Thank you to all for making these accommodations!
- 3) Promote the conference to our District Coaches—Need to do this ASAP
- 4) Website with softball info/details has been updated. Thank you Bruce for staying on top of this!!
- 5) Jim Bates and myself met with the IIAAA in November, and the IHSAA Executive Board in December, to introduce 3 softball proposals:
  - A) Revise max # of games—We didn't get positive feedback on this. It appears we will remain status quo with 26 games and 1 tourney, or 28 games no tourney.
  - B) Implement game ending procedure for Reg Season Tourney (90 min games)—It appears we won't see any movement on this proposal either. There is some confusion as many of the IHSAA/Ex Board members (many AD and former AD's) were under impression this already happens. Head scratcher...
  - C) Game ending procedure for Frosh/JV games (90 min). This one garnered the most interest. I think we will see some changes to Frosh/JV games. Will explain at the meeting.

Re: Swimming Liaison Report for January 10, 2016 Board Meeting

The 10<sup>th</sup> annual IHSSDHOF Swim Classic was held Dec. 4 & 5 at Plainfield High School. It was a fantastic two days of swimming and diving and was highlighted with Jim Sheridan, Columbus North, recently retired coach, speaking to the athletes and coaches.

Chesterton High School won the women's division with Penn High School coming in second. Zionsville High School was the top team in the men's category with Chesterton High School second. The combined overall team champion was Chesterton High School and runner-up was Zionsville High School.

The Hall of Fame will be meeting prior to the ICGSA meeting on Sunday to evaluate the meet and set the date for next year. I will verbally give you additional information from the Hall of Fame meeting on Sunday.

Contact has been made with Arlene McDonald, who will once again head up the girls state meet hospitality room. A check for ICGSA's part is being sent to Arlene. ICGSA swim committee members will be asked to assist in the hospitality room as needed.

I thought our Conference speakers had been finalized and contact information and stipend information sent to Kellie Kuhn. I guess that information didn't get to Kellie, but she has it now, I hope. We are asking one of our two speakers if they will extend their topic to cover two sessions as we, for some reason, currently have one session open. It probably isn't going to matter as the ICGSA Conference falls on Senior State weekend so most of our coaches will be coaching!!

Re: Tennis Committee Report for January 10, 2016 Board Meeting

The tennis committee will again join forces with the IHSTECA ( Feb 5-7) a few weeks prior to the ICGSA conference. We will again host sessions, have a table of membership and scholarship application forms. We will also, again, contribute \$500 to help support securing speakers for this event. We are fortunate to have a great working relationship with the IHSTeCA! Luke Jensen will be the keynote speaker. Presenting, at the IHSTeCA Conference, on behalf of the ICGSA are: Tony Pitt – Madison Grant High School, Doug Porter – Marion High School, Scott Hottell – Angola High School. We would like to add one more speaker for an ICGSA session.

Hello Coach,

My name is Trent Hale and I am with Glazier Clinics. I am the new Coach Relations Specialist here, and my role is to create relationships between Glazier Clinics and State Coaching Associations. I am reaching out to you because I truly believe that we can have a relationship that will be beneficial to both organizations.

Glazier Clinics has been putting on football coaching clinics for about 40 years now, and this year were are trying our hand at other sports. Coming this January 22 - 24, of 2016 we will be hosting our first Multi-Sport Clinic in Indianapolis. At this clinic we will have Softball, Track and Field, Volleyball, and Soccer.

I have listed a few ideas of how we can help out ICGSA:

- Send an email to local markets describing the benefits of membership
- Send an email to local markets promoting your clinic
- Provide a meeting room for Association Meeting
- Send an email promoting an All-Star Game

These are just some ideas. If there is anything else we can do for you, just let me know.

Please visit our websites for more information:

[Glazier Track and Field Clinics](#)

[Glazier Softball Clinics](#)

[Glazier Soccer Clinics](#)

If you would like we can set up a time to talk, or continue contact through email, either way I look forward to speaking with you, and hopefully working with you in the future.

All the best,

# Glazier Clinics®
