Re: Website Report for November 6, 2016 Board Meeting

The data for the on-line volleyball nominations for All-State and All-Stars were emailed to Michelle York on October 26th. The due date for coaches to submit was changed this fall and may have confused a few coaches. Nominations for one coach who missed the new deadline was emailed to Michelle York also.

The Basketball Committee has decided to use the on-line rating systems that is currently used by the Volleyball and Softball Committees. NetNoggin configured this web portal for the coaches to start using next week.

Congratulation tweets were given for State Champs in Volleyball, Golf, and Cross Country. Reminders were tweeted about the scholarships for fall sports and applications for the All-State Academic nominations.

Attached are the web usage reports for September and October for our website.
