Re: Website Report for January 8, 2017 Board Meeting

The on-line registration for the conference is now ready...we need to check it for errors. The payments database has never been cleared...since it is time stamped, do we want to keep all of the payments or clear it before we start registration for this year?

The Basketball Committee started using the on-line rating. It is going well so far. The first electronic poll was done on Dec. 12th.

Reminders were tweeted and emails were sent to coaches about the scholarships for winter sports and applications for the Academic All-State nominations for Basketball and Swimming

Attached is the web usage reports for December for our website.
