All of the following criteria must be met to be nominated for Academic All State honors.

1. The athlete must be a **senior** participating in an IHSAA girls' sport.
2. The athlete must have a minimum GPA of 3.5 on 4.0 scale or equivalent. (Examples: 10.5 on 12.0, 9.625 on 11.0, 8.75 on 10.0, 7.00 on 8.0, 5.25 on 6.0, 4.375 on 5.0, 87.5 on 100.) Please include the athlete's current **cumulative** GPA on what maximum scale. Conversions will be done after receiving the application. **If your school does not use GPA, please give us a percentage as to where they rank in the class.**
3. The athlete **MUST** have a minimum **SAT** score of **1110 on the critical reading (verbal) and math** or a minimum **ACT** composite score of **24**.
4. The athlete must be a varsity participant in a minimum of 50% of the contests in an IHSAA sponsored girls' sports program.
5. **A transcript must be provided with this application. Verification of SAT/ACT scores, class rank, and cumulative GPA MUST be included with transcript.**
6. A nomination must be signed by both coach and principal.
7. The coach **must** be a **current** member of the ICGSA in order to nominate. Membership must be received by the membership chairperson no later than the Academic All State deadline for your sport. Membership may be completed online at www.icgsa.org. **ONLY** head varsity coach may nominate an athlete from his/her own team.

Completed applications and transcripts must be received by the Academic All State Chairperson by midnight of your sectional tournament entry date to be eligible for Academic All State or Honorable Mention consideration. Incomplete nominations or nominations received after the deadline will not be considered for these honors unless the late nomination procedure is followed within 48 hours of the deadline. Coaches who are not members by the deadline date for their sport WILL NOT have their athlete's nomination considered. EMail or submit via online your nominations early, so they arrive before the deadline. The Academic All-State Chairperson will acknowledge receipt of your nomination via email. If you have not received acknowledgement by NOON on the day before your deadline, you should contact her immediately.

The 2023-24 IHSAA tournament entry deadlines and ICGSA Academic All State nomination deadlines are as listed below:

Golf—September 6	Basketball--January 18	Softball—May 2
Soccer—September 20	Swimming--January 26	Track--May 10
Volleyball—September 25	Gymnastics—February 15	Tennis--May 11
Cross Country—October 2		

The number of athletes selected for basketball, soccer, softball, swimming, track, and volleyball will be 25. For cross country, golf, gymnastics, and tennis that number will be 15. Any student-athlete who has an index equal to or above 0.9, but is not in the top 25/15 lists also will be named Academic All State. All other nominations who have met the criteria will be Honorable Mention. The student-athlete's index does not have to be above 0.9 to be selected. This simply accommodates the sports with more participants without penalizing those sports with lower participation numbers.
