Our sincere appreciation to Keith for the time he gives to this project. Thanks!

4. GOALS AND ACCOMPLISHMENTS

A. *To increase attendance at the swimming sessions of the Conference.* Our attendance was okay this year, but numbers are still low due to the conflict with Senior State Swim Meet. Committee members gave a verbal plug at the sectional sites. Bruce Flemming sent e-mails reminders to all the girls coaches a couple of times leading up to the conference. Thank you Bruce.

Coaches and ICGSA Committee Members

- B. *To survey coaches for possible rule changes.* We did not propose any rule changes this year to the IIAAA. We need to continue to survey coaches and take suggestions for future possible rule changes. Next time we will meet IIAAA will be 2018-2019.
- C. *To promote membership in the ICGSA and IHSSCA.* As ICGSA committee members we are constantly discussing ways to improve our member ship numbers. We are hoping moving the conference date might draw a few more people. We have good numbers on paper just not people attending conference. We are unsure what IHSSCA is currently doing; they have been in a development stage for a couple of years. Would like to somehow have both organizations work together for betterment of IN Swimming.
- D. *To continue using past state champions, mental attitude award winners, and Hall of Fame inductees to lead the state finalist march-in.* Each year Linda Horn coordinates this effort. Linda provides a script of trivia for the announcer to read about our celebrity guests. We are indeed grateful to Linda for the many hours she gives to the ICGSA.

5. OTHER SIGNIFICANT ACCOMPLISHMENTS

- A. The hospitality room at the IHSAA State Swimming and Diving Finals is coordinated by the efforts of Arlene McDonald. Financial support is given by the ICGSA, IHSAA, Indiana Swimming and Starz Diving. Arlene McDonald did the work this year for the Girls Swimming State Meet. We really value and appreciate Arlene taking on this task.

- B. Phyllis Tubbs, Bev Arnold, and Dana Culp compiled the All State selections. A list of honorees was given to the Awards Chairperson, sent to the wire service, sent to the ICGSA web page, sent to the IHSAA media person, and made available at the swimming sessions of the ICGSA Annual Spring Conference. Award winners were notified and a congratulatory note sent to each coach. A list of honorees is included at the end of this report.
- C. Academic All State selections were compiled by Kate Todd. A list of honorees was given to the Awards Chairperson, sent to the wire service, sent to the ICGSA web page, sent to the IHSAA media person, made available at the IHSAA Girls State Finals, and made available at the swimming sessions of the ICGSA Annual Spring Conference. Award winners were notified and a congratulatory note sent to each coach. A list of honorees is included at the end of this report.
- D. The All Time Top Twenty was compiled by Linda Horn and mailed to coaches upon request. Coaches always appreciate the Top 20. Thanks Linda! It is hoped that this list will eventually be permanently on the ICGSA website.
- E. Bev Arnold and Linda Horn have served the past twelve years on the Board of Directors for the Indiana High School Swimming and Diving Hall of Fame. Cindy Britten (District 2) has served on the Board for five years. Bev Arnold and Cindy Britten are the ICGSA representatives to the HOF and Linda Horn is the Top 20 Historian. Also, Bev Arnold is currently the treasurer of the HOF. The HOF sponsored the 10th Annual Hall of Fame Swimming and Diving Classic at Franklin Community High School in December. Additional information about the Hall of Fame and the inductees can be found at the Hall of Fame website.
- F. Jay Chambers, Fishers High School and Kevin Kinel Chesterton High School were named Coach of the Year by vote of the coaches at the State Finals Meet. A copy of the ballot will be attached at the end of the report. We nominated Scott Kubly (Zionsville High School) as ICGSA Coach of the Year at the Spring Conference. Congratulations Scott.
- G. ICGSA District Coaches were not selected this year. Unfortunately I did not have a copy of the district coaches of the year. This might be something to check into for next year again. We have done it in the past consistently.

District Coaches of the Year:

- District 1 –
- District 2 –
- District 3 –
- District 4 –
- District 5 –

- H. A summary of the IHSAA Girls State Finals are on the IHSAA website. Congratulations to Carmel for winning Girls State this year.

6. GOALS AND ASPIRATIONS FOR NEXT YEAR

- A. To continue to increase attendance at the swimming sessions of the ICGSA Conference
- B. To work with the IHSSCA to help them get reestablished.
- C. To encourage and promote memberships in the ICGSA and the IHSSCA.
- D. To promote discussions among coaches throughout the year regarding a change in format of competition for the IHSAA tournament series.
- E. To educate coaches next year regarding survey questions and possibly conduct the survey next year prior to rules proposals the following year.
- F. To assist with the Indiana High School Swimming and Diving Hall of Fame Swim Classic and Golf Outing.
- G. To organize our committee with ICGSA. Get our committee member roster full and have people really work at organizing the ICGSA swimming program.
